

**Logistics Leader for Nonprofit  
Driver/Material Handler**

Blue Star Recyclers, an award-winning nonprofit social enterprise, that recycles electronics to create jobs for people with autism and other disabilities. We are currently seeking a talented and positive person to fill our Logistics Leader (non CDL Driver) position.

Primary responsibilities are driving a 24' box truck (no CDL required) to various clients across Colorado, physically loading electronic waste and accurately sorting categories of electronics. All applicants must be able to carry up to 75 lbs and to push/pull up to 500 pounds consistently throughout the day. Applicants are also subject to an initial drug screening and must be able to pass a background check to achieve security clearance to government facilities.

This position requires the talents of offering high caliber customer service, positive personality, willingness to help wherever needed, and team collaboration with other employees including adults with disabilities.

This is a great opportunity for college students who want part-time work and also want to make a significant difference in their community with environmental and social impact.

The position starts at \$18 - \$20 per hour, depending on experience.

Hours are Monday – Friday 9am to 5pm (some Saturdays required)
